B.S. Managerial Economics (Transfer) Davis, CA

University of California, Riverside Sept 2024 – Mar 2026
Computer Science with Business Applications Riverside, CA

- GPA: 3.57
- Coursework spanning data structures, business analytics, financial accounting, and Python for data analysis

Mansfield College, University of Oxford March 2026
Global Leadership Program Oxford, United Kingdom

- Selective short-term program in cross-cultural leadership, negotiation, and strategic decision-making

EXPERIENCE

Highlander Consulting Group — Riverside, CA Oct 2025 – Present
Consulting Intern — Data & Strategy

- Delivered data-driven recommendations for 2 clients: Sensibly (AI hiring startup, 100+ job seekers and 13 SoCal employers) and R&B Tea Riverside (college-market QSR)
- Led market expansion analysis for Sensibly, identifying 3 new high-turnover verticals — seasonal resort towns, healthcare, and home health — beyond their existing food service and hospitality base
- Analyzed 24 months of R&B Tea POS transaction data, identifying the first 2 weeks of each academic quarter as the highest-conversion window for the college student segment
- Recommended a recurring back-to-school promotional cadence at R&B Tea; implementation contributed to a 5–8% same-period sales increase versus prior quarter

Hexhome — Riverside, CA Aug 2024 – Oct 2025
Build Project Intern

- Contributed to 3 residential construction projects from foundation through framing, working alongside founders and a small crew under tight delivery timelines
- Coordinated daily on-site logistics and team schedules; gained exposure to small-business operations, vendor management, and owner-operator financial trade-offs

SensoryGen Market Entry Analysis — Riverside, CA
Independent Strategy Project — Blackstone LaunchPad Innovation Challenge 2026

- Conducted independent go-to-market analysis for SensoryGen, a UCR-spinout AI biotech (\$1.5M raised) developing a non-DEET natural mosquito repellent, evaluating whether to enter the US consumer market
- Recommended a dual-track strategy: position the company as preparing to self-launch in order to strengthen leverage in licensing negotiations, given a mature market and limited buyer pool
- Led all analytical work and strategic recommendations on a 2-person team; earned 2nd place and \$600 prize against competing UCR student teams

HONORS & AWARDS

- 2nd Place — Hult Prize Immigration Business Challenge
- Top 20 Globally — Wells Fargo / Global Career Accelerator AI Pitch Competition
- Top 100 Globally — Crocs / Global Career Accelerator Croctober Marketing Pitch Competition
- Westview High School — Graduated with Honors, Class of 2024 (San Diego, CA)
